Fermentation	Austrian (Manhartsberg) Oak Cask 25 hl
Maturation	Austrian (Manhartsberg) Oak Cask 25 hl
Bottling	April 2007
Alcohol	14,5% by Vol

Wine description: Sweet melon and apricot tastes from the first sip, forceful and spicy, but never overstated; fulsome, juicy with concentrated sweetness, multiple layers, but retains its typical Kamp Valley Veltliner characteristics despite the fruity notes, a wine with finesse and a long finish. (VINARIA)

VINTAGE 2006 - After a long and harsh winter vegetation started slowly at the end of April. Flowering was done in a cool period in the middle of June and resulted in a reduction on the stock of about 25 - 35%. The rest of the vegetation period was very hot and dry, August was rather cool and windy, which kept acidity levels high. The vegetation period ended in a warm and mild September and Oktober. The Beginning of main harvest was third week in October for the classical, light and crisp Veltliners. Riesling followed in the last week of Oktober and Harvest was finished at the 12th of November. In the night of 25th of January 2007 a GV Icewine could be harvested.

SCHLOSS GOBELSBURG is the oldest winery in the Danube region with a documented history back to 1171. Since January 1996 the Château and winery is managed by family Michael Moosbrugger. The vineyards from the 35 ha estate are located on the slopes and terraces of the oldest vinyard sites around Langenlois. Nowadays the winemakers are interested in producing authentic and noble wines from different terroirs. The winery concentrates mainly on Grüner Veltliner and Riesling and in the selection of old authentic varieties.
